Happy new financial year! Here's what's been happening at Hanrick Curran over the past few months.

Year End Financial Celebrations

Once again the staff of Hanrick Curran celebrated another successful financial year end. This year the celebrations were held at Riverside Receptions at New Farm. Dinner and drinks were enjoyed by all with casino games keeping everyone entertained afterwards.

Mark Sheridan was Master of Ceremonies and delighted in the announcements of all triumphs and successes achieved during the 2009 financial year, the firms 25th year.

A terrific night was had by all and we are looking forward to just as many successes in the next twelve months.
