

WE SPECIALISE IN HEALTH CARE

At Hanrick Curran we specialise in helping our clients, including health care professionals, grow and prosper. Over our 30 year history, our client portfolio has included top Brisbane and Queensland health care professionals, including general and specialist medical practitioners, general and specialist dentists, optometrists, pharmacists, allied industries and practice groups.

We understand that, while your main focus is delivering top quality healthcare to your patients, in order to do so you need to grow a healthy, thriving practice on a sound financial base.

Our healthcare specialists can ensure you have a strong financial base to support the day to day business, as well as reaching your financial and other business and personal goals.

WE'RE WITH YOU EVERY STEP

CLIENT RESULTS

Healthcare professionals advised by Hanrick Curran achieve results that stand the test of time, including:

- Confidence to expand whilst closely managing risks
- Specialist advice when expanding with a new business partner
- Good corporate governance with well-considered and documented legal and financial business affairs
- Access all available government grants and tax incentives
- Build wealth in the most tax efficient structures
- Understand business and personal risks and have asset protection in place.

SERVICES

We pride ourselves on being able to provide comprehensive, hassle-free accounting solutions for medical and allied health professionals. These services include:

- yearly taxation and compliance matters
- preparation of yearly financial statements
- snapshot reports
- tax planning and projections
- finance application assistance
- practice valuations
- benchmarking
- cashflow analysis
- succession planning
- strategic assistance
- superannuation
